Dear Appleton Families,

Thank you so much for your great support during Parent-Teacher Conferences to share in your child's growth and progress! We had a great turnout and though our numbers haven't been counted quite yet, we are likely to reach our average of 95% parent and guardian participation! What an encouragement to the students!

The staff would also like to share a huge THANK YOU to all of those who provided food and gifts for Teacher Appreciation during the conference schedule. Notably, a real shout out goes to Susie Flores, Joy Zeller, and Bob Sammons for their support.

Thank You for Supporting Appleton!!!

Moving Out of Appleton’s Boundaries?

It will be very helpful if you would let the Appleton office (254-6400) know if you are planning on moving and if your child will not be attending Appleton next year. This will help us better predict the number of School of Choice applications we can approve, if any. Thank you
