Dear Appleton Families,

Volunteer Appreciation Luncheon Tuesday, April 24

We want to thank, honor and celebrate our many volunteers who make Appleton such a great place. If you are one of our valuable Appleton volunteers, please plan to join us on Tuesday, April 24, any time between 11:15-1:15 for our Volunteer Appreciation Luncheon in our library. We will have some great food to say "Thank You" for all that you do for our school community.

Warmer Temperatures and the Dress Code?

We want students to be comfortable, but at the same time they need to dress in a manner that will not create a distraction, is safe, and follows the dress code. Here are a few guidelines to follow:

- Shorts and skirts should be approximately to the end of the index finger, or longer when arms are held at the sides. For shorter-styled skirts, it is suggested that shorts be worn underneath.
- Shirts and tops should be long enough to meet the top of pants and shorts.
- Spaghetti strap tops are not allowed. Straps, at the minimum, should be approximately two finger widths.
- Undershirts should not be worn as the primary shirt. If worn, undershirts should be covered by a regular shirt.
- Skate shoes and skateboards are not allowed at school.
- "Blowouts" on flip-flop sandals are very common. If flip-flops are to be worn, please send additional back up shoes.

Thank you for your help in ensuring your child dresses appropriately for school. When students dress in a manner that reflects the belief that school is important, a more focused atmosphere is created which helps to improve achievement.

School of Choice Closing March 30th 4pm

The School of Choice window opened (March 5th), it will be very helpful if you would let the Appleton office (254-6400) know if you are planning on moving and if your child will not be attending Appleton next year. This will help us better predict the number of School of Choice applications we can approve, if any. Thank you!

Appleton's Got Talent!

Appleton's 3rd annual Talent and Art Show is coming! Scheduled for the evening of April 20, Appleton's talented 4th and 5th graders will be taking the stage and performing their favorite routines. Sponsored by the Appleton P.T.A., proceeds will benefit Appleton's Artist in Residence and Art Heritage programs.

New this year...families will be able to select a fun art class to join and complete a cool project that evening. There will be something for everyone including: a photo booth, Bump n' Jumps, food, face painting, and an art gallery of student exhibits.

4th and 5th grade students interested in the talent show should contact their teacher for sign up materials as soon as possible. Though it is not a competition, there are limited spots available and so teachers will make a determination for acts that will be allowed to present on April 20. Acts are limited to 3 minutes.

More Details to Come Soon!!!

Parent Requests for Classroom Assignment Forms

Parent Requests for Classroom Assignment Forms will be available at the Appleton office starting April 2. Parent requests for classroom placement for 2018-2019 must be turned in to the office by Monday, April 30, 2018 at 4:00pm. A completed Parent Request for Classroom Assignment is not a guarantee that your child will be placed with the requested teacher. As in past years, teachers are subject to moving to different grade levels and assignments well after requests have been made. At the time this newsletter was generated, teaching positions for next year were not 100% identified.

Some changes that are likely include:

We are adding a teacher in 4th grade. 4th grade will now have Mrs. Crone, Mrs. Squires, and an excellent teacher that will be selected by the Appleton Leadership Team.

1st grade: Mrs. Dangler will return from maternity leave for 2018-2019.

No changes are predicted for other grade levels at this time.
