For Your Calendar

Sept. 4 Pre-K Picture Day

Sept. 17 Teacher Planning Day - No School for Students

Sept. 20 4:00pm P.T.A. in the library

Sept. 24 4:00pm School Accountability Committee in the library

Dear Appleton Community,

Thank You

Appleton appreciates the Rotary Club for their generous donation of school supplies at the beginning of every year. Many students benefit from these useful items. Teachers often spend their own money to quietly support students who don't have these items. The Rotary gifts are greatly appreciated by all.

Thank You 2

During the early part of this school year, many of our classes will receive free hearing and vision screenings from the Lions Club. Over the years, dozens of students have been discovered to have previously undetected hearing or vision challenges during this testing. We are thankful to the Lions Club volunteers for providing this often life changing service.

Appleton Carnival Donations Needed

The Appleton Carnival is set for Friday, November 2. This is one of Appleton's traditional fun events that supports many programs within our school. More details will be coming out later but if you can support the silent auction it would be greatly appreciated. We are accepting items that you or a business you are associated with, are willing to donate. Free services, gift cards, and goods are all appreciated. Approximately 1,000 people attend the carnival. Donating an item from your business is a great way to advertise. Contact the Appleton office to donate at 254-6400.

P.T.A. Meeting

PTA will meet for the second time this year on Thursday, Sept. 20 at 4pm in the library. Meetings last under 1 hour and we don't mind if you bring little siblings. Everyone is welcome to come find out all the positive things we are doing for your kids.

School Accountability Committee Meeting

The Appleton School Accountability Meeting has changed dates. Please plan to attend Monday, September 24 at 4:00pm in the library. We will be discussing our academic results, plan for improvement, safety, and the teacher evaluation system.

Construction Projects At Appleton

As many of you know, we had a significant amount of construction over the summer. So what improvements were done? Here is a list:

- Replaced roofing at the east wing, old gym, and stage.
- Repair and/or replace asphalt parking in main lot and bus loop.
- Upgrades heating and cooling in several areas.
- Overlay for north gym floor.
- New security vestibule.
- New security lights at east side of building.
- Replaced fixtures and water heater in old building.
- Added new full height walls to kindergarten.
- Added keyless security entry system.
- New sidewalk and gutter sections.
- Replaced some exit doors, frames, and hardware on selected doors.

Best Regards,

Corey Hafey
