Dear Appleton Families,

I want to thank you for the great turnout on our Parent Information Night. Appleton is a great school for kids because parents commit their time and effort to support teachers and their children. I trust you found great value in learning how to support your child and the classroom by attending. Please continue to connect with your child's teacher throughout the year whenever you have a question or need information. Our staff is eager to share.

Best Regards,

Corey Hafey

P.T.A. Meeting

The P.T.A. will meet for the first time this year on Thursday, Aug. 31 at 4pm in the library. Meetings last under 1 hour and we don't mind if you bring little siblings. Carnival planning will be a focus though lots of other information will be discussed, as well. Everyone is welcome to come find out all the positive things we are doing for your kids. This is

a great way to have a major impact on your child's Appleton experience.

Awesome !

Thank You

Appleton appreciates the Rotary Club for their generous donation of school supplies at the beginning of every year. Many students benefit from these useful items. Teachers often spend their own money to quietly support students who don't have these items. The Rotary gifts are greatly appreciated by all.

Best Regards,
