

Thanks to everyone for collecting and turning in Box Tops, Campbell's soup labels and Tyson labels! Please note that we need the following turned in for each item. We also have had some "Home Team" labels turned in. They are found on the back of certain Fast Fixin' and Fast Classics products. They are worth \$.30 each!

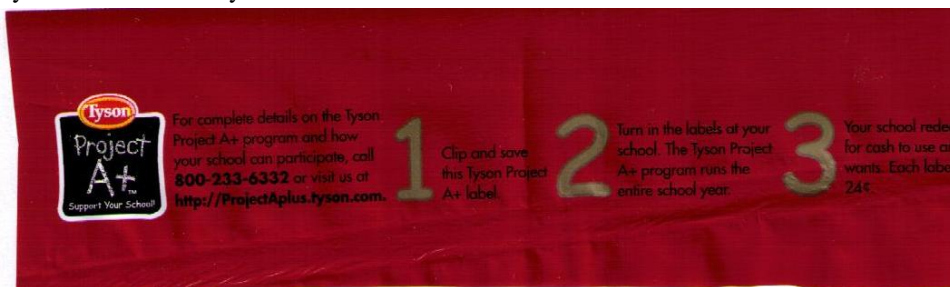

Box Tops are either individual label to cut out or they can be a coupon printed out at the store:
 (Please note that they **will not be honored** if they are expired or the expiration date **is not** intact.)

Campbell's soup labels are either 1 point value or 5 point value. They do not have expirations, but the bar code *must* be intact and included. (The front of the soup label no longer is accepted for fundraising.)

Tyson labels need only this tab cut off and turned in:

This is the new label to cut out:

The PTA has been able to raise enough to really contribute to our school from these various sources! Also note that all of these entries are credited to your child's classroom for the ice cream party at the end of the year. Box tops are not the only thing counted towards their goal! Also make sure you or your child put their name on the back of their entries for the monthly drawing!
