Principal's Update:

1. "Mr. Thompson's Fundraiser" - Corey will be holding a small fundraiser selling \$5.00 "tickets" with discounted items for parents at local businesses. The proceeds will go to purchase Lee a Furniture Mover. Info will go to parents in the weekly newsletter and tickets will be purchased directly through the office.
2. 5th Grade Bake Sale: AMAZING!!

Kevin's PowerPoint:

** Kevin presented a Technology Request asking for \$14,000 to buy 20 laptops. This would put two laptops in each classroom and a couple of additional ones in the Sped room. PTA member seemed receptive to this request and will reevaluate in the fall after the first two large fundraisers.

PTA Update:

Somehow the Appleton PTA did not comply with State PTA mandates for the past couple of years. Chad Horton and Stephanie Keller are working to get this taken care of. Chad said that we should be "back in good standing" very soon without any major issues.
