Spanish teacher-Candice and Betsy-Bilingual program-will be featured on the local news, \$50 each student for a year of lessons, great opportunity for our students!

Need to purchase something? Check with Lisa first to see if the district will supply it. If not, you can fill out a purchase form and John can pay for purchases instead of teachers waiting to be reimbursed...check with Lisa to do this.

Appleton Leadership Project-Math Investigations 3 purchased-this was a surplus in funds

Donate button on the Appleton PTA website-for membership and fundraisers

Appleton t-shirts-Early October forms will go home for t-shirt purchases-not a fundraiser, just for school spirit

Carnival donations still needed. Classroom teachers-- make sure your class makes a project of some sort. Also please consider donating to accept a pie in face or hosting a breakfast, or hot cocoa party, etc.
