Dear Appleton Community,

What Will the Spell-A-Thon Pay For?

Did you know that the PTA supports Appleton instructional aides who work with students who need extra help in reading and math? This is the largest yearly line item in the PTA budget at \$18,000. These experienced instructional aides keep our students from falling through the cracks and help them reach new milestones. Thank you for supporting the Spell-A-Thon, our instructional aides, and our students. This is just one of the many important items supported by Spell-A-Thon funds.

Spell-A-Thon dates to remember:

Currently - Collecting pledges or money and study spelling words

Nov. 6-10 - Spelling Tests are given at school

Nov. 14 - Graded tests go home

Nov. 29 - Deadline to return collected donations

Parent/Teacher Conferences Have High Attendance

Once again Appleton families have shown how important their children's education is by attending conferences in high numbers. 94.9% of students were represented by a parent or caregiver!

Weather Prepared Kids

The temperature is really dropping. Inclement weather can come in during the school day making recesses colder than it was when you sent your child off to school. Please send your child prepared to enjoy the outside with the appropriate clothing. We will eventually have several hundred coats in our lost and found by year end. If you write your child's name inside their coat we have a much easier time getting them back to the correct owners. Thank you.

Go Bookworms!
