School of Choice Second Chance = Transfer Requests

Question: What happens if my child is denied School of Choice? Is there any other way to be admitted to the school we want to attend?

Answer: If denied School of Choice, parent/guardians may fill out a paper copy of the Transfer Request for next school year as early as two weeks prior to next school year.

PLEASE NOTE: Transportation will NOT be provided for students who live outside of the attendance area and attend school under School of Choice or Transfer.

White Iced Party – D51 Foundation -A Huge Success!

Over 900 people attended the White Iced event this year. A new attendance record! The D51 Foundation provides grants for K-12 students with financial need the support to allow them to pursue extracurricular activities, technology & innovation grants for staff, as well as professional learning grants for D51 educators. These resources make our school district better able to provide a quality education. Thank you to all the sponsors and especially **Alpine Bank** for sponsoring tickets for Appleton staff members.
